FYI - Bernie Linner confirmed that there will be 5 Clinimetrics personnel at the dinner on Thursday night - Jenny Camp, Bernie and CRAs River Duke, Phil Fabella, and Paula Ballard.

I'll get back to you on the car/transportation needs and dinner Wednesday night as soon as I can talk with Hans/Paul/Qiwei re preference (probably early next week).

Thanks,
Valerie

Valerie,

Wonderful! Glad Qiwei decided to join us. Nancy Wang will also be joining us.

So, it looks like Hans, Paul, Barbara, Qiwei and yourself will be joining Gary, Michelle, Nancy, Jacki and myself.

Bob Earl, Phil Bach, Kate Marshall, Brandi Asheim (Management in PHX) and Andrea Priewe (DM in PHX) will also be present at the meeting, representing the Phoenix site.

Following is hotel information:

Pointe South Mountain Resort
7777 S. Pointe Parkway
Phoenix, AZ 85044
602-438-9000
or
877-776-6402
www.pointesouthmtn.com

I have made hotel reservations for the entire team and should be getting confirmation numbers to you tomorrow.

I was wondering about car rental. I have attached a map and some general directions. Please let me know if you are comfortable with arranging your transportation or if you would like me to arrange. I think Gary mentioned the possibility of your team getting a taxi from the airport to the hotel and then MDS associates taking you to the site on Thursday morning?

Please also let me know flight times so that I can arrange for dinner upon arrival Wednesday night.

As for the updated agenda, the items to be discussed look fine. Please add Bob Earl, Nancy Wang and Andrea Priewe to the MDS team as participants.

Thanks

Kim

Kim:

I confirmed that Qiwei will be attending the 6/24/04 meeting in Phoenix.
Could you please also arrange for a room for him as well?

Also, could you forward me the address and contact information of the hotel?
I'll circulate it to our folks on this end who are going.

Thanks,
Valerie
